

FOR IMMEDIATE RELEASE

REVISED SCHEDULE FOR LOCAL LIBRARIES HOSTING DEAF AWARENESS MONTH EVENTS

Readers: please note changes to dates and locations since the last printing

Delaware Deaf Senior Citizens (DDSC), a 501(c) 3 non-profit, is partnering with three libraries in Sussex County to offer several programs to recognize Deaf Awareness Month during September 2026. The goal of Deaf Awareness Month is to promote awareness about the large Deaf community in the area, the contributions of Deaf people to the arts and literature, and to enhance cultural awareness and understanding of this vibrant community. The South Coastal Library, the Lewes Public Library and the Selbyville Public Library will be sponsoring several Deaf Awareness programs during the month of September 2026. The South Coastal Library in Bethany Beach will display books on Deaf culture and American Sign Language (ASL) and host a children's art activity introducing children to American Sign Language (ASL). The Selbyville Public Library will host three presentations by a Deaf author, a Deaf Executive Chef and a Deaf artist. The Lewes Public Library will offer two beginning ASL Classes. The updated schedule of events follows:

Tuesday, September 15, 4:30 – 6:00 pm: Deaf author presentation

Dr. Irene Leigh will discuss her new book: *Hiding the Holocaust: Memoir of a Deaf Daughter* and her journey to understand how her parents' experiences during the Nazi years resulted not only in her experiences with intergenerational trauma but also resilience generated by her parents' full acceptance of her as a deaf child. Bring her book for book signing after the presentation (books will not be sold on site). Books can be purchased from: Gallaudet University Press:
